

COMMUNITY DIRECTOR UPDATE JUNE 1, 2025

COMMUNITY NEWS & UPDATES

We remind all residents to stay alert and drive cautiously, especially with children playing outside. Please observe speed limits and remain attentive in crosswalks, sidewalks, and common areas. Let's work together to ensure a safe and enjoyable community for everyone!

Plan Ahead for a Smooth Transition!

With PCS season in full swing, we kindly remind all residents to **submit at least 30 days' notice** before vacating. Providing timely notice allows us to assist with your transition and helps avoid short-notice fees. Thank you for your cooperation in this important process. If you have any questions, our property management team is here to help!

RESIDENT FEEDBACK ★★★★★

Your Feedback Matters!

We truly appreciate every comment, suggestions, and survey response. Your thoughts and ideas help improve our community, making it a better place for everyone. Whether it's enhancing amenities, refining services, or creating new events, your feedback drives positive change.

Let's build a stronger, more connected neighborhood—together! Thank you for sharing your voice!

MAINTENANCE TIPS

As the weather warms up, how you use your air conditioning system plays a key role in its efficiency and longevity. Air conditioners are designed to lower indoor temperatures by about 20 degrees. To prevent strain and freezing, **keep your AC set no lower than 72°F and ensure the fan is set to AUTO.** Leaving it in the ON or RUN position prevents proper cycling, leading to excess humidity, discomfort, and even mildew growth. Setting the fan to AUTO helps regulate moisture for a healthier indoor environment.

For optimum airflow, **change your air filter monthly**—contact the Tri-Command Family Housing Office at (843) 738-4511 to arrange pickup. Following these tips will help your AC run efficiently and keep your home cool and comfortable all summer long.
